All payments should be made electronically.
Should you have any issues or questions,
please contact Eric Davis at (205) 248-4506

Re: Notification of Annual fire insurance premium percentage filing due no later than April 1, 2024

Pursuant to Act 99-568, each and every entity offering fire insurance coverage by doing business within the City of Tuscaloosa, including mutual and industrial fire insurance entities, must pay a percent of gross premiums written and renewed to the City of Tuscaloosa Police Officers and Firefighters Pension Retirement Plan. The amount due annually is a sum equal to one and one-half percent (1.5%) of the gross premiums, including all renewals but less any returned premiums, received by each and every entity subject to this Act during the calendar year 2023.

The **attached affidavit response form** should be used in calculating and reporting your payment obligation as legally required under the Act. **This notarized form must be received by April 1, 2024.**

If no payment is due, please submit the separate zero reporting form also available on the Pension website. A zero report reply is required even if you determine that no payment is owed. If you believe your company does not owe this fee for any reason, please go to www.tuscopfplan.com, download and complete the Zero Reporting Form. **Please submit all zero report affidavits electronically to tuscopfplan@gmail.com.** Failure to timely reply will subject your company to a penalty.

Please be aware that there are mandated penalties for failing to timely respond. The notarized affidavit and the 1.5% fee, if due, must be received no later than the first day of April, 2024. Failure to respond by this date will result in a penalty of One Thousand Dollars (\$1000.00), payable to the Retirement Plan. The Board will take whatever measures are necessary to enforce the provisions of the Act.

Please return the notarized response affidavit for each reporting entity to: tuscopfplan@gmail.com. Once you use the fillable form Affidavit, the ACH information will be automatically sent to you. All payments should be submitted electronically as outlined in the ACH information sheet. All submissions should be paperless as the attached outlines.

All payments should be made electronically and received no later than April 1, 2024.

Thank you for your anticipated reply. If you have any questions, please contact Eric Davis, accountant for the Pension Retirement Board, at (205) 248-4506, or by email at edavis@tuscaloosa.com.

Sincerely,

Tony Klostermann

Chairman
Tuscaloosa Police Officers and Firefighters Pension Retirement Board
